

TOTAL - 1700 m²

An aerial map of a site. Two large, light-colored rectangular buildings are prominent. The building on the left is slightly tilted. To its right is a smaller, rectangular structure with a grid-like pattern, possibly a parking lot or a smaller building. A road, labeled 'HWY 100', runs diagonally across the bottom right. The map shows various lines representing roads, boundaries, and possibly vegetation or water features. The orientation is with North at the top.
